 FREEMANTLE BAPTIST CHURCH

 Testwood Road, Southampton
 February 2012

 Newsheet

God's blessings are greater ...

JANUARY and February can be long and difficult months: money can be tight after the Christmas season, the weather is still cold and glum, Spring is still a little way off.

Yet as Christians we have much to thank God for. We can daily count our blessings. Jesus talked about the blessing of putting God first in our lives during his sermon on the mount. The blessings He records seem contradictory, but God's way of living often contradicts the world's.

The world measures blessing by what we have materially. God measures blessing by what we have in our hearts; 'Blessed are the pure in heart,' Jesus tells us. God's blessings are greater that the world's blessings, and will last in this life and the life to come.

Count your blessings from God with thankfulness.

Linda

Count your blessings, name them one by one; Count your blessings, see what God has done! Count your blessings, name them one by one; And it will surprise you what the Lord has done. Rev.J.Oatman Jr
